PICK A DAY OR A WEEK

Creative Ceramics is having Summer Camp Sessions. Summer Camp has never been so much fun. You can spend one day or one week designing and painting different ceramic pieces for yourself or others. Creative and helpful instructors will teach you different techniques, brush strokes, and various glaze applications. You will learn how to sponge, stamp and stencil your way to a masterpiece. Each day you will paint a different piece. By the end of each week, you will have a variety of pottery masterpieces. All supplies are included in the price of the camp sessions and all materials are non-toxic and food safe.
